Sorry, Jeff, my vision (or my mind) is going. I meant to type XAV.

Brian,

Upon reviewing the IA it shows in CDW as having expired on 30 Sept 2016 and only has balance of \$152.50 that was not carried forward to this year.

Has there been an amendment with an increase I should have seen in order to make the moves you listed below?

Respectfully,

Jeff

Jeff,

I'd like to reprogram funds in reimbursable project XAX, "Radford".

I need to move \$5,000 from BOC 10 into BOC 36 and the balance of travel funds into BOC 36 to cover expenses.

Thank you!

Brian
